

FRIENDS OF HEYBROOK RIDGE ANNUAL MEETING

By ZOOM on 4/12/21 from 7 to 9 PM

On April 12th the Friends of Heybrook Ridge will finally hold their 2021 Annual Meeting. We will review our 2020 efforts, discuss future goals, and elect members to the Board of Directors. As always, the public is invited, and we especially encourage participants inclined to run for election (or to nominate others) to join us. This year there are six Board positions open. We will select BOD officers (including a new president) at the same meeting after the board positions have been filled. Due to the (sigh) ongoing Covid risks of in-person gatherings, this meeting will be held by Zoom—heaven help us, we’ll do our best!

FOHR is a local grassroots, all-volunteer organization, responsible in large part for the creation of Heybrook Ridge County Park. Working with SnoCo Parks, our ongoing ambitious efforts include, but are not limited to: enhance the current Leovy Trail, its viewpoint atop the Ridge, and the current parking area (including a toilet facility); complete the ADA-designed Erinswood Trail and a Memory Shelter on the HRCP “Annex” property; and obtain 16 acres located on the crest of Heybrook Ridge that are visible from the Town of Index, and add them to the Park.

No matter your age or prior experience, if you have a desire to make a difference for our local and Sky Valley communities, please consider running for a BOD position. We meet bi-monthly, usually at a site in Index. But until conditions allow (hopefully by this summer) we will be meeting via Zoom.

Email current President Ann Darlington at [anndarlington320 \(at\) gmail \(dot.\) com](mailto:anndarlington320@gmail.com) to be included in the 4/12/21 meeting. We hope to see you there.

Submitted by David Meier, Secretary, and Ann Darlington, President, FOHR
